Sub: Appraisal of the project proposals of major/multipurpose projects - reg.
Ref: 23/94/2011-PA (N)/640-694 dated 5th April, 2011
Sir,

Your kind attention is invited to this office letter of even no. dated 5th April, 2011, as referred above vide which it was conveyed that the DPRs of major / multipurpose projects may be submitted to field units of CWC to bring out the DPR in complete shape before their final submission to CWC HQ.

It has been observed that this is not serving the desired purpose and at times is a cause for delay in appraisal of the projects. Therefore, it has now been decided by the Chairman, Central Water Commission that the appraisal of the major irrigation/ multipurpose projects is to be done exclusively at the CWC headquarter and the DPR of the same are directly to be submitted by the project authorities to the Chief Engineer, Project Appraisal Organization, CWC, New Delhi. One copy of the DPR may however be forwarded to concerned regional office of CWC (Chief Engineer) who can give his inputs in regard to checklist and other chapters of DPR, as per the guidelines of preparation of DPR, to CWC headquarter in maximum 15 days.

EE-4
24-15

The irrigation/ multipurpose project involving funding from the external source/agencies like Asian Development Bank (ADB), Japan International Co-operation Agency (JICA) etc (both major and medium) are to be appraised in Project Preparation Organization, CWC and DPRs of such projects are to be submitted directly to Chief Engineer, Project Preparation Organization, CWC, New Delhi.

It is requested that necessary instructions may accordingly be issued to the prospective project authorities.
