A National Consultation on "Climate Resilient Water Resources: Development and Management"

11th-12th April, 2020
Venue: Gyan Bhawan
Samrat Ashoka Convention Centre, Patna, Bihar (India)

Organized by:
Water Resources Department,
Government of Bihar
Sinchai Bhawan, Patna-800015.

Email: pmc1wrdbihar@gmail.com; walmiwrdconference@gmail.com

Keeping in view the state government’s vision of “Water to every Farm”, WRD, Bihar invites participation & technical papers around sub themes as stated below for the aforesaid Consultation.

OBJECTIVES:
- Evolve a shared understanding and a sense of urgency around the need to reclaim and rejuvenate water bodies and river-rivulets that have become endangered.
- Explore bridging gap between Irrigation Potential Created and Irrigation Potential Utilized.
- Work out a roadmap of engaging government bodies, civil society and communities in a mutually enabling rejuvenation mechanism.

Authors are requested to submit an abstract (not more than 500 words) of their paper on the above mentioned e-mail address. The authors will be informed of acceptance of the paper after review by the Consultation Committee. The Final manuscript in standard format must be submitted with single line spacing not exceeding 10 pages including tables and figures. All submission must be in soft copy only.

The details regarding consultation is also available on www.wrd.bih.nic.in

SUB THEME:
1. Developing Climate Resilient Water Resources: Rejuvenating Endangered Rivers and Water Bodies: Challenges & Opportunities
2. Irrigation from Reservoir to Farms: Bridging the gap between Irrigation Potential Created and Irrigation Potential Utilized
3. Community Engagement: Water as a Social and Economic Catalyst
4. Water Governance
