

FLOOD PROTECTION PROJECT

Proforma for Project Completion Report

1. State :
2. Name & Type of Project (with PIC) :
(Whether scheme part of any composite Project)
3. Location of the project (District / Block / Taluka) :
4. Implementing Agency :
5. RIDF Tranche :
6. Sanction letter no. :
7. Details of administrative approval :
 - i) Date of A/A
 - ii) Amount of A/A
 - ii) Year of start of the project
8. Project details :

S. No	Items of development*	Physical quantity	Financial details (Amt in Rs.)		Remarks (reasons for variation, if any)
			Estimated cost	Actual expenditure	
	1				
	2				
	3				
	4				
	Total				

* As per abstract of estimate

RIDF Loan released :
Govt. Contribution :
Total :

9. Date of completion of project works in all respects and flow of irrigation water :

10. Direct Benefits / Expected Benefits :

- i. Agriculture production
- ii. Protection of assets/infrastructure
- iii. Other benefits

b. **Indirect Benefits** :

11. **Maintenance**

- (a) Amount required for annual maintenance of the project
- (b) Source of funds
- (c) Agency to handle maintenance
- (d) Annual allocation for maintenance by the Govt.
(If already made)

12. **Whether visited after completion and by whom**
