

**AGREEMENT BETWEEN BIHAR AND U P REGARDING CONSTRUCTION OF
MOOSAKHAND DAM AND IRRIGATION THEREFROM**

The total utilisation on account of Moosakhand Dam may be taken as 5.25 TMC of which 2.25 TMC shall be in Bihar and 3.00 TMC in UP.

Irrigation on account of Moosakhand shall be 21,000 acres kharif and 8,000 acres rabi in Bihar and 21,000 acres kharif and 20,000 acres rabi in UP.

The cost of the Moosakhand Dam and appurtenant works shall be shared equally between the two State Governments.

The cost of remodelling Right Karamnasa Canal up to UP-Bihar border shall be borne by Bihar.

The cost of maintenance and operation of the Dam and appurtenant works shall be shared equally between the two State governments and the cost of maintenance and operation of the Right Karamnasa canal up to UP-Bihar border shall be shared on cusec-mile basis.

The Karamnasa flows at Latifshah shall be shared in the ratio of 15:85 during kharif and 30:70 during rabi between Bihar and UP so as to release 1.8 TMC during kharif and 0.45 TMC during rabi to Bihar in a normal year of 13.25 TMC Karamnasa flows at Latifshah. If the flows at Latifshah are likely to be less than 13.25 TMC in any year supplies to the two States shall be reduced proportionately during the two crop-seasons as indicated above.
